IN RE: DIRECT-TEL USA, LLC	DOCKET NOS. TCU-99-21 TF-99-193
	CERTIFICATE NO. 0201

ORDER CANCELING CERTIFICATE AND WITHDRAWING TARIFF

(Issued July 10, 2003)

On November 2, 2002, the Utilities Board (Board) issued an order in Docket No. TCU-99-21, approving the application of Direct-Tel USA, LLC (Direct-Tel), to provide local exchange service in Iowa. The Board's order also approved Direct-Tel's tariff, identified as Docket No. TF-99-193, and granted waivers. A certificate of public convenience and necessity, identified as Certificate No. 0201, was issued to Direct-Tel concurrently with the November 2, 2002, order.

As of July 3, 2003, Direct-Tel has not filed an annual report with the Board pursuant to 199 IAC 22.2(6)"b." Board staff recently attempted to contact Direct-Tel by telephone and received a message indicating that its phone number has been disconnected. The Board concludes that Direct-Tel may no longer be an operational company. Therefore, the Board will cancel Direct-Tel's certificate and withdraw its tariff 30 days from the date of this order unless the Board is contacted by Direct-Tel within that time period and provided with updated corporate information.

IT IS THEREFORE ORDERED:

Direct-Tel USA, LLC, must contact the Board with updated corporate information within 30 days of the date of this order. If the Board does not receive a response within 30 days, Direct-Tel's certificate of public convenience and necessity, Certificate No. 0201, shall be deemed canceled and Direct-Tel's approved tariff, identified as Docket No. TF-99-193, shall be deemed withdrawn without further action by the Board.
